**Fee Schedule Notes:**

<sup>1</sup>For multi-phase developments, complete Final Plat(s) and Improvement Drawings may be submitted for the entire development for review at one time and will be subject to review fees based on the total number of lots. If Final Plats and Improvement Drawings are submitted separately for each phase, review fees will be based on each phase as a separate development. Construction phase fees will apply to each individual phase of construction.

<sup>2</sup> Subdivision fees.

<sup>3</sup> The Highway District reserves the option to increase this fee under special conditions.

<sup>4</sup> Administrative fees for approaches, street cuts, or other work within the right-of-way for which construction commences without first obtaining a permit to use the right-of-way, shall be triple the amount otherwise required.

<sup>5</sup> Administrative Fees for Street Cuts, Parallel to Centerline shall apply to off-site roadway widening and frontage improvements for subdivisions in other jurisdictions.

<sup>6</sup> Utilities include power, gas, telecommunications, and cable.

<sup>7</sup> In lieu of fees, major utility companies shall provide an annual Bond in the amount of \$7,500.00 to the Canyon Highway District.

<sup>8</sup> Any additional costs will be charged at the actual amount above those included in the fee.

<sup>9</sup> Fee includes \$300.00 in legal costs and \$300.00 for public hearing legal advertisement.

<sup>10</sup> Sign installation cost does not include actual sign and sign post assembly costs. Administrative permit fee applies at time of permit issuance for initial sign installation.

<sup>11</sup> Plotting shall be for standard maps produced for Highway District purposes.

<sup>12</sup> Square footage of map shall be based on the area of the paper rounded to the nearest square foot.
