Commissioners: Dick Smith, Randy Noble, Bryce D. Millar

Subject: Public Involvement Meeting for Robinson Road & Airport Road Roundabout

Dear Property Owner:

Nampa Highway District has been monitoring the intersections throughout the district for potential safety and capacity concerns. We have identified the Robinson Road and Airport Road intersection as one that may benefit from some improvements, and potentially a roundabout.

We have completed several concepts for the project and would now like to invite you to a Public Involvement Meeting to solicit feedback. A roundabout at this intersection will maintain consistency along the Robinson Road corridor. The preferred alternative would be to offset the roundabout to the east of the existing intersection.

The meeting will be held at the Nampa Highway District Office, located at 4507 12th Ave. Rd., **On Tuesday, March 16, 2021 from 5:00 pm to 7:00 pm.** Due to the current social distancing guidelines in relation to the pandemic, we ask anyone that attends the meeting wear a mask.

We are always appreciative of any feedback that you may have. Please contact me at 208-467-6576 or nick@nampahighway1.com if you have any further questions or concerns.

Sincerely,

NICOLAS J. LEHMAN, P.E.
District Engineer
