Subject: **Middleton Rd. & Orchard Ave. Signal Project – Open House**

Dear Patron:

You are invited to attend an Open House regarding the design of a project to widen and signalize the intersection of Middleton Rd. & Orchard Ave. in Nampa. The Open House will be held April 16, 2015, from 4 pm to 7 pm at the Nampa Church of the Brethren, at 11030 W. Orchard Ave. (on the northwest corner of the intersection), Nampa.

You will be able to view displays, ask questions and make comments. If you cannot attend but have questions or comments, please contact me at (208) 467-6576 or at [eric@nampahighway1.com](mailto:eric@nampahighway1.com).

The intersection currently consists of a two-lane, all-way-stop configuration, and is a frequent point of congestion. The proposed project will improve flow through the intersection by installing traffic signals and additional travel lanes. It will also install new curb, gutter and sidewalk.

Persons needing an interpreter or special accommodation should contact the District at (208) 467-6576. Se les recomienda a las personas que necesitan un intérprete o arreglos especiales que llamen a el Oficina del Distrito, al (208) 467-6576.

Sincerely,

ERIC R. SHANNON, P.E.

District Engineer
